PER CURIAM:

Jerrold Devaughn Moore appeals the district court's order denying his motion for a sentence reduction pursuant to 18 U.S.C. § 3582(c)(2) (2012). We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. United States v. Moore, No. 4:14-cr-00259-RBH-10 (D.S.C., Aug. 6, 2015). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
