Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Roderick Black appeals the district court's order denying relief on his Fed. R. Crim. P. 36 motion to correct a clerical error in his presentence investigation report. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. United States v. Black, No. 2:94-cr-00015-BO-9 (E.D.N.C. Oct. 20, 2015). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
