

UNPUBLISHED

UNITED STATES COURT OF APPEALS
FOR THE FOURTH CIRCUIT

No. 15-7929

UNITED STATES OF AMERICA,

Plaintiff - Appellee,

v.

DAMON LEE,

Defendant - Appellant.

Appeal from the United States District Court for the District of Maryland, at Baltimore. Catherine C. Blake, Chief District Judge. (1:10-cr-00677-CCB-1)

Submitted: March 17, 2016

Decided: March 22, 2016

Before WILKINSON, NIEMEYER, and KING, Circuit Judges.

Affirmed by unpublished per curiam opinion.

Damon Lee, Appellant Pro Se. Rod J. Rosenstein, United States Attorney, Clinton Jacob Fuchs, Assistant United States Attorney, Baltimore, Maryland, for Appellee.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Damon Lee appeals the district court's order denying his 18 U.S.C. § 3582 (2012) motion. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. United States v. Lee, No. 1:10-cr-00677-CCB-1 (D. Md. Nov. 20, 2015). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.

AFFIRMED
