PER CURIAM:

Terry R. Chapman appeals the district court's order accepting the recommendation of the magistrate judge, granting summary judgment to the Commissioner, and upholding the Commissioner's denial of Chapman's application for disability insurance benefits. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Chapman v. Comm'r, No. 1:14-cv-03761-WMN (D. Md. Feb. 12, 2016). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
