PER CURIAM:

Samuel Litvin Michaels appeals the district court's order accepting the recommendation of the magistrate judge and upholding the Commissioner of Social Security's denial of disability insurance benefits and supplemental security income. We have reviewed the parties' briefs, the joint appendix, and the administrative record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Michaels v. Berryhill*, No. 3:15-cv-00388-RJC-DSC (W.D.N.C. filed Sept. 26, 2016 and entered Sept. 27, 2016). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
