PER CURIAM:

Montgomery B. Sibley appeals the district court's orders granting Appellees' motion to dismiss and motion for summary judgment and denying his motion for summary judgment. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *CarMax Auto Superstores, Inc. v. Sibley*, No. 8:16-cv-01459-RWT (D. Md. July 13, 2016; filed Oct. 14, 2016 & entered Oct. 17, 2016). We further grant CarMax's motions to supplement the record and to strike, grant Sibley leave to proceed in forma pauperis, and deny as moot Sibley's motion to expedite and to remove this case from abeyance. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
