Appeal from the United States District Court for the Eastern District of Virginia, at Norfolk. Rebecca Beach Smith, Chief District Judge. (2:13-cv-00416-RBS-DEM)

Submitted: October 31, 2016

Decided: January 5, 2017

Before MOTZ, DIAZ, and FLOYD, Circuit Judges.

Affirmed by unpublished per curiam opinion.

Mark A. Grethen, Appellant Pro Se. John Michael Parsons, Assistant Attorney General, Richard Carson Vorhis, Senior Assistant Attorney General, Richmond, Virginia; Elizabeth Martin Muldowney, RAWLS, MCNELIS & MITCHELL, PC, Richmond, Virginia; Lloyd Lee Byrd, Margaret Frances Hardy, Justin Wright Ward, SANDS ANDERSON, PC, Richmond, Virginia; Ruth Griggs, WIMBISH GENTILE MCCRAY & ROEBER, Richmond, Virginia, for Appellees.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Mark A. Grethen appeals the district court's orders denying his motions for the appointment of counsel, granting a motion for sanctions and dismissing his 42 U.S.C. § 1983 (2012) complaint, and denying his motion for reconsideration. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Grethen v. Clarke, No. 2:13-cv-00416-RBS-DEM (E.D. Va. Nov. 24, 2015 & Feb. 11, 2016). We deny Grethen's motion for the appointment of counsel as well as his motions for a transfer to Augusta Correctional Center and his motion regarding the storage of his legal materials. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.

AFFIRMED
