PER CURIAM:

Samuel Rodney Holmes appeals the district court's order denying his motion for reconsideration of its earlier order granting him a sentence reduction under 18 U.S.C. § 3582(c)(2) (2012). In the prior order, the district court reduced his sentence to the bottom of his amended Guidelines range. In his motion for reconsideration, Holmes sought a further reduction. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. See United States v. Holmes, No. 1:05-cr-01253-MBS-1 (D.S.C. Apr. 21, 2016; Nov. 24, 2015). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
