Special Deputy Attorney General, Raleigh, North Carolina, for
Appellee.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Jackie Emmitt Moorehead appeals the district court's order denying relief on his 42 U.S.C. § 1983 (2012) complaint. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Moorehead v. Stover, No. 5:13-ct-03144-F (E.D.N.C. Aug. 23, 2016). Moorehead's motions to strike the defendant's affidavit and to impose sanctions are denied. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
