Circuit Court Judge,

Defendants - Appellees.

Appeal from the United States District Court for the District of Maryland, at Baltimore. J. Frederick Motz, Senior District Judge. (1:16-cv-01033-JFM)

Submitted: February 16, 2017

Decided: February 22, 2017

Before GREGORY, Chief Judge, DUNCAN, Circuit Judge, and HAMILTON, Senior Circuit Judge.

Dismissed by unpublished per curiam opinion.

Elia T. Watkins, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Elia T. Watkins seeks to appeal the district court's order warning him that his complaint is subject to dismissal without prejudice. We dismiss the appeal for lack of jurisdiction because the order Watkins seeks to appeal is neither final nor otherwise appealable. See Cohen v. Beneficial Indus. Loan Corp., 337 U.S. 541, 545-47 (1949); Catlin v. United States, 324 U.S. 229, 233-34 (1945).

Accordingly, we dismiss the appeal. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.

DISMISSED
