Affirmed by unpublished per curiam opinion.

Travis Eugene Ward, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Travis Eugene Ward appeals the district court's order dismissing his 42 U.S.C. § 1983 (2012) complaint without prejudice for failure to comply with a court order. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Ward v. Meade, No. 3:16-cv-00657-REP-RCY (E.D. Va. Oct. 6, 2016). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
