Petition denied by unpublished per	curiam opinion.	
Brent Renard Christian, Petitioner I	Pro Se.	
Unpublished opinions are not bindi	ng precedent in this	circuit.

PER CURIAM:

Brent Renard Christian petitions for a writ of mandamus, alleging the district court has unduly delayed acting on his 28 U.S.C. § 2255 (2012) motion. He seeks an order from this court directing the district court to act. Our review of the district court's docket reveals that the district court adopted the report and recommendation of the magistrate judge and dismissed Christian's § 2255 motion. Accordingly, because the district court has recently decided Christian's case, we deny the mandamus petition as moot. We grant leave to proceed in forma pauperis. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
