PER CURIAM:

Margaret Quigley appeals the district court's order concluding, after a bench trial, that Defendants did not violate the Family and Medical Leave Act. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Quigley v. Bumbaugh*, No. 1:14-cv-02227-CCB (D. Md. Jan. 31, 2017). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
