

motion for leave to file the separate appendix as an addendum to supplement the brief.

2. The appendix includes citations and additional data supporting arguments in our brief, and was included with our brief to document the information on which we rely for the convenience of the court. The brief and the appendix together are 6,371 words, as certified by our certificate of compliance. That is under the word limit for an amicus brief on the merits.

3. After a discussion between an attorney in my office and the Clerk's Office of this Court, we were advised, rather than refiling the brief with a separate appendix, to file a motion for leave to file the brief and appendix as is.

WHEREFORE, *amici* respectfully request that this Court grant them leave to file their previously tendered *amicus* brief and appendix as is.

Respectfully submitted,

s/Benna Ruth Solomon
