PER CURIAM:

Brenda L. Livesay appeals from the district court's order affirming the bankruptcy court's orders denying her renewed motion to intervene in an adversary proceeding filed by the bankruptcy trustee, denying her motion to conduct discovery, and quashing subpoenas she issued. We have reviewed the record submitted on appeal and the arguments of the parties and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Livesay v. Livesay*, No. 1:16-cv-00361-MOC (W.D.N.C. Mar. 17, 2017). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
