PER CURIAM:

Abdul Rahman appeals the district court's order dismissing Rahman's "Bill in Equity." We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Rahman v. Chenault*, No. 1:17-mc-00013-LMB-IDD (E.D. Va. May 16, 2017). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
