## PER CURIAM:

Namish Parikh appeals the district court's order dismissing this civil action challenging Maryland's prejudgment attachment procedure under the Fourth and Fourteenth Amendments. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Parikh v. Frosh*, No. 8:17-cv-00332-GJH (D. Md. Sept. 15, 2017). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
