Re: No: 17-2231(L); International Refugee Assistance Project v. Trump

Dear Counsel :

A majority of the Court has voted to request that the Government supplement the record in *International Refugee Assistance Project v. Trump*, No. 17-2231(L), with the following two reports referenced in both the Government's opening brief and the challenged Proclamation, No. 9645: a report submitted to

the President on July 9, 2017, identifying “16 countries as having ‘inadequate’ information sharing practices and risk factors, and another 31 countries as ‘at risk’ of becoming ‘inadequate,’” Gov’t Br. 9 (quoting Proclamation § 1(e)), and a report submitted to the President on September 15, 2017, recommending that the President impose entry restrictions on certain nationals from seven of the countries determined as having inadequate information sharing practices and risk factors, Gov’t Br. 9–10 (citing Proclamation § 1(h)).

Sincerely,

Patricia S. Connor
Clerk of Court
