Corey Thomas Jones, Petitioner Pro Se.

---

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Corey Thomas Jones petitions for a writ of mandamus, alleging that the district court has failed to rule on a number of motions and memoranda filed in his prior postconviction proceedings. He seeks an order from this court directing the district court to act. The underlying record demonstrates, however, that final orders have been entered in these postconviction proceedings, and the cited motions are no longer pending. Jones is therefore not entitled to mandamus relief. Although we grant leave to proceed in forma pauperis, we deny the mandamus petition as moot. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
