Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Renee (COG) Ferebee appeals the district court's order dismissing for lack of subject matter jurisdiction her civil action against Defendant Sheehy Ford Dealership. On appeal, we confine our review to the issues raised in the Appellant's brief. *See* 4th Cir. R. 34(b). Because Ferebee's informal brief does not challenge the basis for the district court's disposition, Ferebee has forfeited appellate review of the court's order. *See Jackson v. Lightsey*, 775 F.3d 170, 177 (4th Cir. 2014) ("The informal brief is an important document; under Fourth Circuit rules, our review is limited to issues preserved in that brief."). Accordingly, we affirm the district court's judgment. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
