

UNPUBLISHED

UNITED STATES COURT OF APPEALS
FOR THE FOURTH CIRCUIT

No. 17-6269

DAVID MEYERS,

Petitioner - Appellant,

v.

WARDEN S. K. YOUNG; DIRECTOR HAROLD CLARKE,

Respondents - Appellees.

Appeal from the United States District Court for the Western District of Virginia, at
Roanoke. Glen E. Conrad, Chief District Judge. (7:17-cv-00017-GEC-RSB)

Submitted: July 27, 2017

Decided: July 31, 2017

Before AGEE and FLOYD, Circuit Judges, and HAMILTON, Senior Circuit Judge.

Dismissed by unpublished per curiam opinion.

David Meyers, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

David Meyers seeks to appeal the district court's order denying relief on his 28 U.S.C. § 2254 (2012) petition. The order is not appealable unless a circuit justice or judge issues a certificate of appealability. 28 U.S.C. § 2253(c)(1)(A) (2012). A certificate of appealability will not issue absent "a substantial showing of the denial of a constitutional right." 28 U.S.C. § 2253(c)(2) (2012). When the district court denies relief on the merits, a prisoner satisfies this standard by demonstrating that reasonable jurists would find that the district court's assessment of the constitutional claims is debatable or wrong. *Slack v. McDaniel*, 529 U.S. 473, 484 (2000); see *Miller-El v. Cockrell*, 537 U.S. 322, 336-38 (2003). When the district court denies relief on procedural grounds, the prisoner must demonstrate both that the dispositive procedural ruling is debatable, and that the petition states a debatable claim of the denial of a constitutional right. *Slack*, 529 U.S. at 484-85.

We have independently reviewed the record and conclude that Meyers has not made the requisite showing. Accordingly, we deny a certificate of appealability, deny leave to proceed in forma pauperis, deny Meyers' motion for the record on appeal, and dismiss the appeal. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.

DISMISSED
