PER CURIAM:

Luis Felipe Mangual, Jr. appeals the district court's order granting in part and denying in part his 18 U.S.C. § 3582(c)(2) (2012) motion. We have reviewed the record and find no reversible error. Accordingly, we affirm the district court's order and deny Mangual's motion to place the appeal in abeyance for a case pending in this court. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
