PER CURIAM:

Christopher Gayton appeals the district court's orders dismissing his complaint. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Gayton v. Kustanbauer*, No. 1:16-cv-01577-LMB-MSN (E.D. Va. Feb. 10, 2017; filed Apr. 11, 2017, entered Apr. 12, 2017). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
