UNPUBLISHED

UNITED STATES COURT OF APPEALS
FOR THE FOURTH CIRCUIT

No. 17-6972

LARRY WAYNE SMITH,

                    Petitioner - Appellant,

          v.

HAROLD W. CLARKE,

                    Respondent - Appellee.

Appeal from the United States District Court for the Western District of Virginia, at Roanoke. Glen E. Conrad, District Judge. (7:17-cv-00335-GEC-RSB)

Submitted: November 16, 2017   Decided: November 21, 2017

Before GREGORY, Chief Judge, and TRAXLER and KEENAN, Circuit Judges.

Dismissed by unpublished per curiam opinion.

Larry Wayne Smith, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Larry Wayne Smith seeks to appeal the district court's order denying his 28 U.S.C. § 2254 (2012) petition as successive and unauthorized. The order is not appealable unless a circuit justice or judge issues a certificate of appealability. 28 U.S.C. § 2253(c)(1)(A) (2012). A certificate of appealability will not issue absent "a substantial showing of the denial of a constitutional right." 28 U.S.C. § 2253(c)(2) (2012). When the district court denies relief on the merits, a prisoner satisfies this standard by demonstrating that reasonable jurists would find that the district court's assessment of the constitutional claims is debatable or wrong. *Slack v. McDaniel*, 529 U.S. 473, 484 (2000); *see Miller-El v. Cockrell*, 537 U.S. 322, 336-38 (2003). When the district court denies relief on procedural grounds, the prisoner must demonstrate both that the dispositive procedural ruling is debatable, and that the petition states a debatable claim of the denial of a constitutional right. *Slack*, 529 U.S. at 484-85.

We have independently reviewed the record and conclude that Smith has not made the requisite showing. Accordingly, we deny a certificate of appealability, deny leave to proceed in forma pauperis, and dismiss the appeal. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.

DISMISSED
