PER CURIAM:

Jamohn A. Neal appeals the district court's order adopting the magistrate judge's recommendation and denying relief on his civil action asserting claims under the Federal Tort Claims Act, and *Bivens v. Six Unknown Named Agents of Fed. Bureau of Narcotics*, 403 U.S. 388 (1971). We have reviewed the record included on appeal and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Neal v. FCI McDowell*, No. 1:16-cv-11365 (S.D.W. Va. Aug. 16, 2017). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
