Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Kenneth Ray Johnson appeals the district court's orders: authorizing the Bureau of Prisons to remit to the district court funds held in Johnson's trust account as payment towards court-ordered restitution; and denying his motion for reconsideration. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *United States v. Johnson*, No. 1:07-cr-00316-LMB-1 (E.D. Va. Oct. 27 & Dec. 6, 2017). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
