PER CURIAM:

Bricia Roslyn Pini appeals from the district court's order dismissing her civil complaint without prejudice for lack of subject matter jurisdiction. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Pini v. Workers Comp.*, No. 1:17-cv-01478-LMB-MSN (E.D. Va. Jan. 16, 2018). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
