PER CURIAM:

Kirk E. Webster appeals the district court's order accepting the recommendation of the magistrate judge and dismissing this action filed pursuant to Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. § 2000e to 2000e-17 (2012), for want of jurisdiction. *See* Fed. R. Civ. P. 12(b)(1). We have reviewed the record and find no reversible error. Accordingly, we deny the motion to strike the response brief and affirm for the reasons stated by the district court. *Webster v. Mattis*, No. 1:17-cv-01384-TSE-IDD (E.D. Va. Feb. 27, 2018). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
