Frederick J. Andrews, Petitioner Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Frederick J. Andrews petitions for a writ of mandamus, alleging the district court has unduly delayed acting on the civil action that he initiated in August 2017. He seeks an order from this court directing the district court to act. Our review of the district court's docket reveals that the court recently granted defendants' motions to dismiss, dismissed the parties that Andrews failed to serve, and dismissed without prejudice his amended complaint. Accordingly, because the district court has recently decided Andrews' case, we deny the mandamus petition as moot. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
