PER CURIAM:

Shameka Green appeals the district court's orders granting summary judgment in favor of Open Plan Systems, LLC, in Green's products liability action and denying her motion to alter or amend the judgment. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Green v. Open Plan Sys., LLC*, No. 3:15-cv-02581-JMC (D.S.C. Sept. 12, 2017; Apr. 13, 2018). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
