PER CURIAM:

Tori Keon Thompson appeals the district court's order accepting the recommendation of the magistrate judge and denying relief on his civil complaint. We have reviewed the record and find no reversible error. Accordingly, although we grant leave to proceed in forma pauperis, we affirm for the reasons stated by the district court. *Thompson v. Richland Cty. Dep't of Soc. Servs. Child Support Div.*, No. 3:18-cv-00693-CMC (D.S.C. June 7, 2018). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
