PER CURIAM:

Spencer Streno appeals the district court's order denying his Fed. R. Civ. P. 59(e) motion to amend the judgment in his underlying civil suit. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Streno v. Shenandoah Univ.*, No. 5:16-cv-00068-EKD-JCH (W.D. Va. Aug. 6, 2018). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
