PER CURIAM:

Joe Ford and Foy Ford appeal the district court's order denying relief on their 42 U.S.C. § 1983 (2012) complaint. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Ford v. Georgetown Cty. Sch. Dist.*, No. 2:17-cv-01884-DCN (D.S.C. Sept. 28, 2018). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
