PER CURIAM:

Harry Eugene Reese, Sr., appeals the district court's order adopting the magistrate judge's recommendation to grant summary judgment to the Defendant in Reese's employment discrimination action. We have reviewed the record and find no reversible error. Accordingly, although we grant leave to proceed in forma pauperis, we affirm for the reasons stated by the district court. *Reese v. South Carolina Dep't of Mental Health*, No. 3:16-cv-03491-JFA (D.S.C. Sept. 28, 2018). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
