PER CURIAM:

Jerry W. Mullins appeals the district court's order granting summary judgment to the Defendants in his civil action under the Emergency Medical Treatment and Active Labor Act, 42 U.S.C. § 1395dd (2012). We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Mullins v. The Union Mem'l Hosp., Inc.*, Nos. 8:16-cv-01113-PX, 1:16-cv-01114-PX (D. Md. Apr. 14, 2016). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
