Submitted: September 18, 2018

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Eric Jevonne Bennett appeals the district court's order denying his request that the district court retroactively order that his federal sentence run concurrently with his subsequently imposed state sentence. We have reviewed the record and find no reversible error. Accordingly, we affirm. *United States v. Bennett*, No. 7:08-cr-00146-BR-1 (E.D.N.C. Feb. 13, 2018). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
