## PER CURIAM:

Reginald Felice appeals the district court's text order denying his motion to review his federal criminal sentence and his motion for a hearing. We have reviewed the record and find no reversible error. Accordingly, we affirm. *See United States v. Falice*, No. 3:98-cr-00244-GCM-1 (W.D.N.C. Feb. 2, 2018). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
