## PER CURIAM:

Chauncey Demetrius Bennett appeals the district court's order granting defendants' motion for summary judgment on Bennett's 42 U.S.C. § 1983 (2012) complaint, and dismissing his claim challenging his infraction without prejudice. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Bennett v. Wolfe*, No. 1:16-cv-04069-JKB (D. Md. Feb. 20, 2018). We deny Bennett's motion to order defendants to provide a copying card and dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
