PER CURIAM:

Derik Villeda-Morales appeals the district court's order denying his motion to appoint counsel and granting summary judgment and dismissal to Defendants in his 42 U.S.C. § 1983 (2012) civil rights action. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Villeda-Morales v. Wexford Health Sources*, No. 8:17-cv-00566-TDC (D. Md. Mar. 14, 2018). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
