## PER CURIAM:

Michael Jerome Parker appeals the district court's order denying his motion "to correct the erroneous judgment and commitment order." We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court.\* *United States v. Parker*, No. 4:10-cr-00082-RBS-TEM-1 (E.D. Va. filed Apr. 19, 2018 & entered Apr. 20, 2018). We grant Parker's motion for leave to file a supplemental informal brief. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.

**AFFIRMED** 

<sup>\*</sup> We need not reach the question of whether *Johnson v. United States*, 135 S. Ct. 2551 (2015) impacts an 18 U.S.C. § 924(c)(3) (2012) conviction to resolve this appeal.
