PER CURIAM:

Doretha Selby-Diggs appeals the district court's order denying her motion for reconsideration of her criminal sentence. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *United States v. Selby-Diggs*, No. 2:14-cr-00137-RBS-RJK-2 (E.D. Va. May 11, 2018). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
