PER CURIAM:

Marsha King appeals the district court's order denying her motions for a new trial based on newly discovered evidence and to admit documentary evidence, as well as the court's subsequent order denying as moot several related motions. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *See United States v. King*, No. 2:14-cr-00065-RAJ-DEM-1 (E.D. Va. July 11, 2018 & July 12, 2018). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
