Appeal from the United States District Court for the Eastern District of Virginia, at Alexandria. Anthony John Trenga, District Judge. (1:17-cv-00653-AJT-TCB)

Submitted: January 31, 2019

Decided: March 14, 2019

Before MOTZ, DIAZ, and HARRIS, Circuit Judges.

Affirmed by unpublished per curiam opinion.

DeWayne Baker, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

DeWayne Baker appeals the district court's order dismissing his claims against Defendants Harvey, Hodges, Stapleton, Locust, Jones, and Clarke, severing the remaining claims and defendants, and transferring the case to the Western District of Virginia. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Baker v. Coffeewood Corr. Ctr.*, No. 1:17-cv-00653-AJT-TCB (E.D. Va. Aug. 2, 2018). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.

AFFIRMED
