Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Nelson L. Bruce appeals the district court's text order denying his motion to compel arbitration and his Fed. R. Civ. P. 60(b) motion seeking relief from the court's prior judgment dismissing his civil complaint. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Bruce v. Pentagon Fed. Credit Union*, No. 2:17-cv-02170-BHH (D.S.C. May 3, 2019). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
