Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Glenn Myer appeals from the district court's order dismissing his complaint. We have reviewed the record on appeal and conclude that there is no reversible error. We affirm the dismissal of Myer's challenges to completed state legal proceedings for the reasons stated by the district court. *Myer v. Poston*, No. 1:19-cv-00713-AJT-TCB (E.D. Va. June 12, 2019). In addition, we affirm the dismissal of Myer's remaining claims, as barred by the *Younger* doctrine and because Defendants are entitled to absolute immunity. *See Younger v. Harris*, 401 U.S. 37 (1971); *Stump v. Sparkman*, 435 U.S. 349, 356-57 (1978). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
