PER CURIAM:

In these consolidated appeals, Anthony Kelly appeals the district court's orders: (1) dismissing his employment discrimination complaint as time-barred and denying his motion for leave to file a second amended complaint (No. 20-1083); and (2) dismissing his subsequent complaint as barred by res judicata and collateral estoppel (No. 19-2377). We have reviewed the record included on appeal as well as the parties' briefs and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Kelly v. City of Alexandria*, Nos. 1:19-cv-00985-LO-TCB; 1:19-cv-00553-LO-MSN (E.D. Va. July 30, 2019; Nov. 6, 2019). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
