

UNPUBLISHED

**UNITED STATES COURT OF APPEALS
FOR THE FOURTH CIRCUIT**

No. 19-6147

TION KIMBROUGH,

Petitioner - Appellant,

v.

MR. ENTZEL,

Respondent - Appellee.

Appeal from the United States District Court for the Northern District of West Virginia,
at Wheeling. Frederick P. Stamp, Jr., Senior District Judge. (5:18-cv-00133-FPS)

Submitted: May 20, 2019

Decided: June 19, 2019

Before WYNN, FLOYD, and THACKER, Circuit Judges.

Affirmed by unpublished per curiam opinion.

Tion Kimbrough, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Tion Kimbrough, a federal prisoner, appeals the district court's order accepting the recommendation of the magistrate judge and dismissing his 28 U.S.C. § 2241 (2012) petition without prejudice for failure to exhaust administrative remedies. We have reviewed the record and find no reversible error. Accordingly, although we grant leave to proceed in forma pauperis, we affirm for the reasons stated by the district court. *Kimbrough v. Entzel*, No. 5:18-cv-00133-FPS (N.D.W. Va. Jan. 14, 2019). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
