PER CURIAM:

Perry Dunning appeals the district court's order dismissing his 42 U.S.C. § 1983 (2012) complaint with prejudice for failure to exhaust administrative remedies. We have reviewed the record and find no reversible error. Accordingly, although we modify the dismissal to be without prejudice, we affirm as modified for the reasons stated by the district court. *Dunning v. Stone*, No. 1:17-cv-01063-LMB-TCB (E.D. Va. Feb. 8, 2019). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
