PER CURIAM:

Victor Perkins appeals the district court's order denying his pro se motion for a hearing. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *United States v. Perkins*, No. 5:92-hc-00654-BR (E.D.N.C. Sept. 11, 2019). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
