Brian Damon Farabee, Appellant Pro Se. Katherine M. DeCoster, Matthew E. Kelley, FRITH, ANDERSON & PEAKE, PC, Roanoke, Virginia, for Appellees.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Brian Damon Farabee appeals the district court's order denying his motions for preliminary injunctive relief.* We have reviewed the record and find no reversible error. Accordingly, we deny the pending motion and affirm the district court's order. *See Farabee v. Lee*, No. 7:18-cv-00425-MFU-PMS (W.D. Va. Sept. 30, 2019). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.

AFFIRMED

* We have jurisdiction over this interlocutory appeal. *See* 28 U.S.C. § 1292(a)(1) (2018); *In re Search Warrant Issued June 13, 2019*, 942 F.3d 159, 169 (4th Cir. 2019).
